herbie hancock

Music transcends so many of the barriers between people. It appeals to what we have in common."

angelique kidjo

Music is the only thing that can bring us together."

carlos santana

The most valuable possession you can own is an open heart. The most powerful weapon you can be is an instrument of peace."

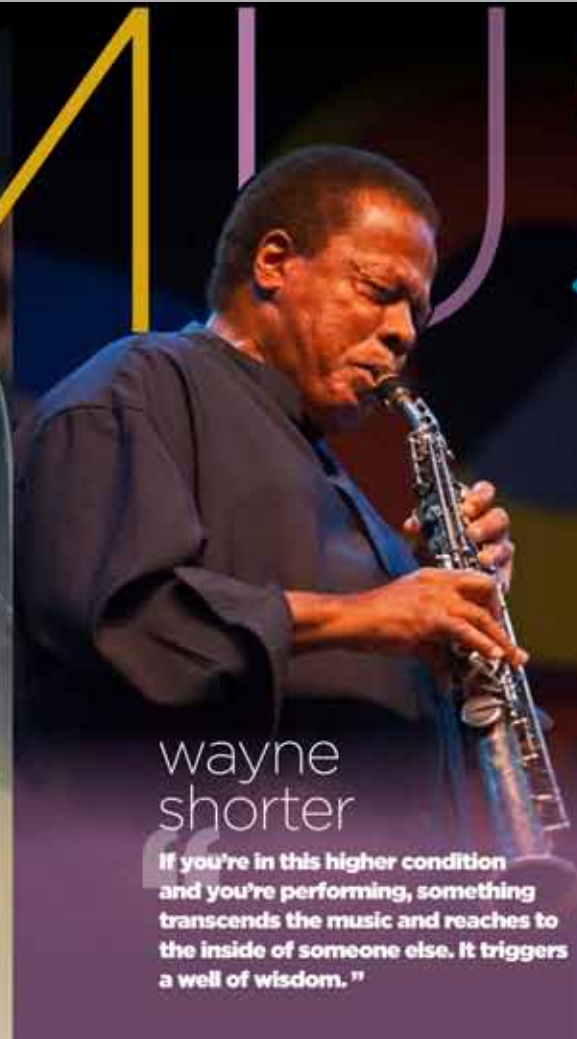

shakira

I believe that I have to use the resources provided by my artistic career in order to tell people about real problems in the real world."

esperanza
spalding

Songs are pure emotion that is diffused enough that so many people can connect to it on different levels and add their own storyline to it. Artists can affect positive change on our planet. "
